

## Scope

**Natural plant oil soap** for wood, cork, linoleum, plastic floor coverings, Carpets, clinker, stone, WPC etc., in household, gastronomy, industry, commerce and agriculture. Great for cleaning hands. Protects the skin and, due to the natural ingredients, has a moisturizing effect. The skin remains soft and supple.

## Technical features

NATURAL plant oil soap replaces a majority of conventional cleaning agents. For production only natural plant oils used (no use of food waste oils).

## Ingredients

Pure plant oils, water, eucalyptus oil. Read our full declaration. VEGAN

## Type of material

Universal cleaner made from pure, natural, gently saponified plant oils.

## Use

Shake well before use!  
Normal cleaning:  
50 ml / 5 lt. water.  
In case of heavy soiling:  
100 ml cleaner / 5 lt. water.

Use for cleaning lukewarm water. Wipe, mop, brush, cleaning pad (brown) with handle or single-disc machine.

**Tip:** work with 2 buckets, one for the cleaning solution and a clear water to wash out the mop/cloth.

Oiled surfaces should never be cleaned with a microfibre cloth.

## Processing

NATURAL plant oil soap is used diluted after soiling 1:100 or applied until "pure". Natural plant oil soap is the perfect cleanser for sealed parquet, carpet and plastic coverings, tiles of all kinds, as well as for kitchens, bathrooms, toilets, etc. Very suitable for the "intermediate - through laundry" and for cleaning heavily soiled hands.

For sensitive surfaces, textiles etc. first in an inconspicuous place Test clean.

Before wet cleaning, vacuum or sweep the floor. Mop the floor with the cleaning solution (damp mist).

In case of heavier soiling, the floor if necessary. and remove with mop/cloth as quickly as possible and wash out in clear water. Change water event. several times.

**ATTENTION!** Work on wood and parquet floors only with damp mist. Avoid standing water on the surface, otherwise damage to the area can occur due to swelling of the wood.

## Aftercare

For oiled, soaped or waxed floors, we recommend **Natural Special Cleaner**. Due to its composition, this has a strong nourishing effect. If you need further care, we recommend **Natural Care Wax Oil**, **Natural Parquet oil** or **Natural Finish Oil**.

## Specifications

Flash point: not applicable  
Consumption: 100 ml / 10lt water  
Dilution: 1:10 with water  
Packaging: 980 ml / 5 lt.

## Shelf life and storage
