

## Scope

Patio & WPC Cleaner for the cleaning of terrace and WPC wood floors. Cleaning and refreshing by the intensive cleansing power of natural oils.

Ideal basic cleaning and preparation for *Natural Terrace Oil Classic* and *Natural Terrace Oil & WPC impregnation oil*.

## Ingredients

Pure vegetable oils, potash, water and eucalyptus oil. Read our full declaration.

## Use

Shake well before use!

For basic cleaning:

150-250 ml Cleaner / 5 l water.

In the case of strong, persistent pollution:

1 l Cleaner + 1 l water.

Use for cleaning warm water.

## Processing

Apply the cleaning solution and leave on for a short time. Scrub the surface with a scrubbing brush (root hair brush) or cleaning fleece or cleaning machine. Do not allow the cleaning solution to dry. Do not work in full sunlight. Wipe away the loosened dirt or rinse away with clean water. Then let the soil dry well.

## Drying

12 – 24 hrs.

## Further

After complete drying, we recommend a refreshing coat of *Natural Terrace Oil Classic* or *Natural Terrace Oil & WPC impregnation oil* to protect the surface against weathering or soiling.

## Specifications

Flash point:	not applicable
Dilution:	Water
Packaging:	980 ml / 5 lt. and large containers

## Durability

Undiluted, sealed and can be stored for 3 years if stored properly

## Storage

Cool, dry, frost-free and well sealed.

**Also store natural cleaning and care products out of the reach of children.** Empty the container completely and recycle it.

## General information about Natural Naturfarben

NATURAL NATURFARBEN are produced in the sense of a holistic approach to the problem of colors and the environment. The raw materials come from a closed ecological cycle and, later as waste, are reintegrated into it without leaving any residue. All ingredients are tested according to building biology criteria and processed into paints and paints using gentle, waste-free technology.
